Allowable Subject Matter

1. Claims 1-39 are allowed.
2. The following is an examiner's statement of reasons for allowance: There is no teaching or suggestion in the prior art of the claimed combination having a coupling mechanism coupled between the base member and the chain guide so that the chain guide moves laterally relative to the base member, and wherein the base member is supported at first and second lateral locations of the base member; re claim 27, wherein a laterally inner surface of the first lower mounting portion is structured to support a laterally outer surface of the base member; re claim 29, wherein the first upper mounting portion includes an opening structured to receive a fastener therethrough for attaching the first bracket body to the rear dropout portion of the bicycle frame at a location offset from a wheel hub axle; re claim 31, a second bracket body comprising a second upper mounting portion structured to attach to the rear dropout portion of the bicycle frame, and a second lower mounting portion structured to extend over a second lateral side location of the rear derailleur when the second upper mounting portion is attached to the rear dropout portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
